We're Blessed to Have You Here!

Welcome to the anniversary extravaganza that some said wouldn't (or shouldn't) happen!

C-Suite for Christ began four years ago when founder Paul M. Neuberger stepped out in faith. By starting a group for professionals who openly proclaim their devotion to God, he went against "acceptable" behavior. Religion and business should never mix, right?

Wrong, apparently, on many counts. C-Suite for Christ has more than 2,200 professionals associated with it in 21 countries. There are nearly 250,000 total followers across our social media platforms. In the past several months, new chapters have been planted across the world.

Tonight is a celebration of all that God has done through His disciples in C-Suite for Christ. This epic celebration is meant to inspire and excite you to help us work toward our mission to "Cover the World in Christ."

Our goal is to be the pre-eminent Christian business group in the world, where professionals gather in faith-based fellowship, and are unafraid to tell the world Whose they are. If you aren't already part of C-Suite for Christ, we invite you to join us!

Are you ready to step out in faith? We await you with open arms. Contact Paul M. Neuberger at (414) 313-8338 or pneuberger@csuiteforchrist.com.

The world needs Christ more than ever – together, we'll cover the world in His holy love!

Paul M. Neuberger
Founder of C-Suite For Christ

Paul graduated from Ripon College in 2005 and Marian

University in 2007. He started his career as a professional fundraiser at the collegiate level upon his graduation from Ripon. Following the death of his father-in-law in 2012, Paul followed a new path and became a financial advisor with Thrivent Financial. It's from here he realized a passion for sales and started his first business, The Cold Call Coach.

Additionally, Paul is a dynamic, in-demand speaker who delivers keynotes worldwide. His most notable talk is "Instantaneous Differentiation: How to Make Yourself Memorable". Anyone who attends one of Paul's engaging talks leaves feeling inspired and armed with a new set of skills. Paul loves to show the audience how, together, they can make the impossible possible.

Paul loves spending quality time with his wife Tanya and their three children: Kennedy (10), Hudson (8), and Reagan (5). He also enjoys immersing himself in politics, reading biographies, and watching movies.

Rev. Mike Huckabee
Baptist Minister, National TV News Commentator & Former Arkansas Governor and Presidential Candidate

Mike Huckabee is the host of the TV show "Huckabee" on TBN each weekend and is a Fox News contributor, NY Times best-selling author of 14 books, and a frequent speaker for corporate, civic, and non-profit groups all over the world. He also hosts the podcast "Huckabee" on Quake Media. He was the 44th Governor of Arkansas from 1996 until 2007, becoming one of the longest serving Governors in his state's history. He left a legacy of tax cuts, job creation, the reconstruction of his state's road system, K-16 education reform, and a nationally heralded and duplicated health initiative that focused on prevention. His administration fought long-standing corruption in the state's political machine, resulting in numerous indictments and convictions of powerful legislators and other elected officials. He ran in 2008 and 2016 for President, finishing 2nd in the Republican primary in 2008.

He is a frequent visitor to Israel since 1973 and since 1981 has been taking groups to the Bible Lands.

Governing Magazine named him as one of its "Public Officials of the Year" for 2005, and Time Magazine honored him as one of the five best governors in America. He served as the Chairman of the prestigious

National Governors Association as well as the Education Commission of the States, the Southern Governors Association, and the Interstate Oil and Gas Commission. He has been nationally recognized for his advocacy of the arts in education and raises money to provide musical instruments for children.

Huckabee an avid musician since age 11, is a bass player and often joins guest artists on his weekly television show, having played with Willie Nelson, Lynyrd Skynyrd, Toby Keith, the late George Jones, and many others. He owns radio stations in Arkansas and Missouri.

His hobbies include hunting, fishing, and music. He was named one of the "25 Most Influential People" for Conservation by Outdoor Life Magazine, and was named "Man of the Year" by the American Sportfishing Association in 1997. The former governor and his wife, Janet, spend time in Arkansas and have three grown children - John Mark Huckabee, David Huckabee and his wife, Lauren, and Sarah Sanders and her husband, Bryan - and seven grandchildren.

Kayley Bishop
Musician

Nashville starlet Kayley Bishop blends Bob Seger's rock and roll, Dolly Parton's bluegrass

storytelling and Aretha Franklin's soulful serenade into a one-of-a-kind country music cocktail. She loves merging the old with the new and finding inspiration from artists who were musical trail-blazers. Keith Urban once described her voice as a "gumbo of Celine Dion, Natalie Maines and Jewel." The East Tennessee-native says her, "heart beats like it was made to be tethered to a song."

Having written hundreds of songs to date, Kayley continues to amaze every crowd she performs in front of with her expertly crafted lyrics and chill-inducing vocals. Performing regularly in Nashville and around the country, the seasoned performer and songstress is no stranger to the stage.

From Season 15 of NBC's The Voice, Kayley is now in the process of releasing her next original project with Grammy® Nominated producer, Eric Torres. Her past releases can be found across all digital music platforms, as well. To stay up to date on Kayley's new releases and upcoming tour dates, you can follow her @kayleybish on all social media platforms.

Danny Gokey
Musician

Three-time Grammy Nominated Artist and Dove Award Winner, Danny Gokey became

a favorite of millions of fans as a Top 3 finalist on Season Eight of American Idol. Following Idol, Gokey released his first album, My Best Days, which debuted at No. 4 on the Billboard Top 200 album chart. Since that time, Danny has celebrated a series of No. 1 releases including his latest album, Jesus People, along with other No. 1 titles, Haven't Seen It Yet, Rise, Hope In Front of Me, and Award-winning holiday album, Christmas Is Here. Spawning singles like "Hope In Front of Me", "We All Need

Jesus," and RIAA Gold Certified singles, "Haven't Seen It Yet" and "Tell Your Heart to Beat Again," Danny has cemented his place on the radio charts with multi-week, multi-chart No. 1 runs in the United States, Canada and now Latin markets with Spanish singles and collaborations. The desire to make a broader impact with his message of hope led to the founding of nonprofit organization Better Than I Found It. He and his wife Leyiet also launched Livin' la Vida Gokey, a podcast featuring conversations about faith and family. Gokey is a native of Milwaukee and currently lives outside Nashville, TN with Leyicet and their four children.
