

C-Suite for
Christ

Introducing: Congregations for Christ

Bringing business executives from your congregation together with C-Suite for Christ in our mission to keep Christ in the workplace

When members of your congregation join C-Suite for Christ, you'll get:

Membership Discount

Annual 25% discount on membership dues per person, per year, for every C-Suite member in your congregation.

Church Donations

We realize that one of the most pressing challenges with all churches, regardless of size, is a steady stream of revenue to fund the ongoing operation expenses.

Accordingly, each time we sign up 10 members from your church, the C-Suite for Christ ministry will make a 15% contribution from the revenue received.

Membership also gives you access to:

The Covering the World in Christ Celebration

Each year, C-Suite for Christ hosts a night of praise, worship, thanksgiving, and an important reminder of honoring the Great Commission in everything we do.

Each member of your church would receive a 25% discount on tickets to the 2024 event and all future annual gatherings either in person, or for the live stream.
