

I am writing to wholeheartedly recommend Jacqui as a speaker for your event. As President of C-Suite for Christ Atlanta, I have had the pleasure of witnessing her exceptional speaking skills firsthand.

Jacqui is a dynamic speaker who engages her audience with a unique blend of charisma, knowledge, and passion. She has a knack for presenting complex ideas in a way that is not only understandable but also captivating. Her presentations are always well-structured, insightful, and filled with practical takeaways.

One of the aspects that sets Jacqui apart is her ability to connect with the audience on a personal level. She has a talent for reading the room and adjusting her delivery to ensure maximum engagement.

In addition, Jacqui is highly professional and easy to work with. She is always well-prepared, punctual, and respectful of the needs and constraints of the event organizers.

I am confident that Jacqui would be an excellent addition to the C-Suite for Christ Speakers bureau and would leave a lasting impression on your audience.

Please feel free to contact me if you need any further information.

Hope Church exists to introduce people to Jesus and fuel their love for Him

February 26, 2024

Dear Paul Neuberger,

Greetings, Paul! Please accept this letter as a personal reference to accompany Mrs. Jacqui Jackson's application to the C-Suite for Christ Speaker's Bureau.

I have known Jacqui since the summer of 2020. We were introduced by a mutual friend to make a connection between my role as pastor for Hope Church and her work with the nonprofit she leads, Ignite Hope. We have met numerous times to discuss ministry, adoption, and the needs of at-risk children in our community. Our church worked with Ignite Hope on several projects, and we fully support their work.

My wife, Tiffany, and I also came to know Jacqui and her husband, Jeff, on a personal level. They are an adoptive family and have walked with us in our current adoption journey. They support us through prayer, regular check-ins, and even some tangible help after a couple of Tiffany's surgeries. She is someone who doesn't just talk the talk, she walks it as well.

I recommended Jacqui as a speaker for one of the monthly C-Suite for Christ Atlanta gatherings. We initially had her scheduled to come last November during Orphan Awareness Month, but her work with the government in helping to shape public policy for at-risk children and families prevented her from being able to attend. We rescheduled that speaking event, and when she came, she wowed the chapter! She is fun, energetic, passionate, and has a strong grasp of both her expertise, as well as the Bible, to present her content. Her presentations are engaging, compelling, and challenging; she is not just sharing a message, but her testimony!

I firmly believe that Jacqui Jackson will be an asset to the C-Suite for Christ Speaker's Bureau. Her expertise in public policy, ministry to at-risk children, and overall grasp of the Gospel's power in our corrupt culture provides a unique and opportunistic blend of information, inspiration, and transformation. I highly recommend her inclusion and promotion for the various chapters, particularly in the USA. Please do not hesitate to let me know if I can answer any questions or be of further assistance.
